Dedication

WE, AS YOUTH IN SCHOOL, REALIZE THAT TO SECURE A DEEPER UNDERSTANDING OF LIFE, BOTH HERE AND IN THE BETTER WORLD WE SEEK TO BUILD, WE MUST MAINTAIN THE IDEALS OF HONESTY, COURTESY, SELF-CONTROL, COOPERATION, OBEDIENCE TO AUTHORITY, WITH KINDNESS AND JUSTICE TO ALL. BECAUSE WE HAVE GRASPED A DEEPER MEANING OF THESE QUALITIES DURING OUR YEARS AT THOMAS JEFFERSON, WE, THE CLASS OF 1945, DEDICATE THIS ANNUAL TO OUR ALMA MATER AND BY THIS ACT PLEDGE OURSELVES TO THE IDEALS FOR WHICH SHE STANDS.

Foreword

THOMAS JEFFERSON, TO US WHO HAVE BEEN A PART OF IT, IS NOT SO MUCH THE GRADES WE HAVE MADE AS THE TIMES WE HAVE HAD WHILE MAKING THEM. IT IS THE LITTLE EVENTS THAT HAVE TAKEN PLACE WITHIN ITS WALLS WHICH ARE REMEMBRANCES OF OUR HIGH SCHOOL DAYS THAT WILL STAND OUT AGAINST ALL ELSE. TEE JAY TO US IS THE BEFORE SCHOOL MEETING — THE FLAG CEREMONIES — THAT LAST MINUTE REVIEW FOR A TEST — A CLASSROOM DISCUSSION — A CAFETERIA GET TOGETHER — THE PASSING "HI" IN THE HALL. TEE JAY IS THE CHEERING CROWD AT A FOOTBALL GAME — THE COMMITTEES THROUGH WHICH WE SERVE OUR SCHOOL — AN INTERESTING CLUB MEETING — THE CADETS ON PARADE. IN THOMAS JEFFERSON WE HAVE MADE FRIENDSHIPS WHICH WILL NEVER DIE AND NEVER BE FORGOTTEN. THIS IS WHAT WE SHALL ALWAYS CHERISH IN OUR MEMORIES, FOR THIS IS THE YOUTH OF TEE JAY.

Diary, you should have seen Miss Phaup and Mr. Galvin at the "War Stomp." They were dressed as typical high school boy and girl, and they were a scream. They certainly did a good job of promoting the sale of war stamps.

"I'LL BE SEEING YOU"

ASTRP QUALIFYING TEST
April 12, 1945

Board of Coordination

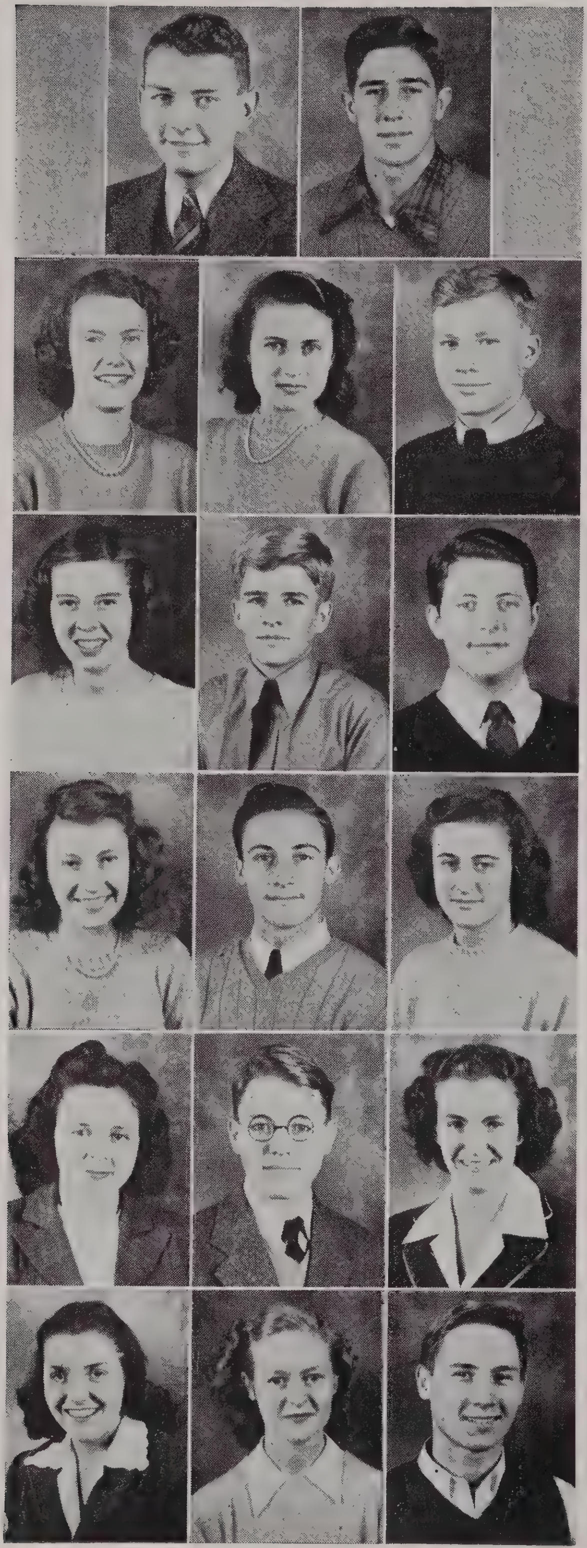
Twenty-eight students and faculty members compose the Board of Coordination. They represent the Student Participation Association, both staffs of each publication, the three classes, athletics, music groups, club affiliations, the Cadet Corps, other large organizations, and their faculty sponsors. The first duty of the Board is to draw up the Calendar of Events for each school term and make sure that there are no conflicting dates for club meetings, games, dances, and other activities. They also discuss problems brought up later in the House of Representatives, propose changes which would benefit the school, and hear complaints and suggestions from the various organizations. In the meetings the members learn to work together for the good of the student body and to discuss their problems freely. These problems are solved to the best advantage of all concerned. One of the events of the past term has been the revision of the Board of Coordination Constitution.

Student Participation Representatives: Miss Singleton, Miss Marks, Dick Berry, Frank Deierhoi, Jean Scroggie, Mitzi Verra, Grace Snead.

Class Representatives: Miss Stephenson, Miss Fitzhugh, Miss Farley, Ruth Nenzel, Clarice Ryland, Neal Ford.

Publications Representatives: Hathaway Pollard, Jean Allen, Betty Ann Allen, Gwen Isbell, Frances Gayle, Diane Brown.

Sports, Music, Cadet Representatives: Mrs. Fontaine, Miss Brame, Mr. Galvin, Buddy Hulcher, Loretta Kurz, Janet Barr, Billy Miller.



The Senate

The Thomas Jefferson Senate is composed of eighteen members; the four officers, the three class presidents, five senior senators, five junior senators, and one sophomore. The President and the Vice-President of Student Participation preside over the Senate and House of Representatives, respectively. The Senators are chosen for their capability and other leadership qualities by the student body in annual elections. The Senate is an executive body which discusses school problems and establishes school policies. These policies are carried out through various committees each headed by a senator. The lessons learned, through this experience, are invaluable to members both now and in later life. The Senate is the power behind all drives throughout the school and takes the lead in student activities. All organizations and students look to the Senate for guidance. The aim of the Senate is to promote the general welfare of the school. This means active participation in all phases of school life. Senators must, by their example, inspire the school toward higher goals of character and leadership.

Dick Berry, President; Frank Deierhoi, Vice-President; Jean Scroggie, Secretary; Mitzi Verra, Treasurer; Forrest Bailey, Eleanor Bear, Dick Burch, Jimmy Duckhardt, Merle Duke, Neal Ford, Elizabeth Herrink, Mary Howard, Bill Mallard, Ruth Nenzel, Clarice Ryland, Grace Snead, Russell Vint. Marjorie Norris was not photographed.

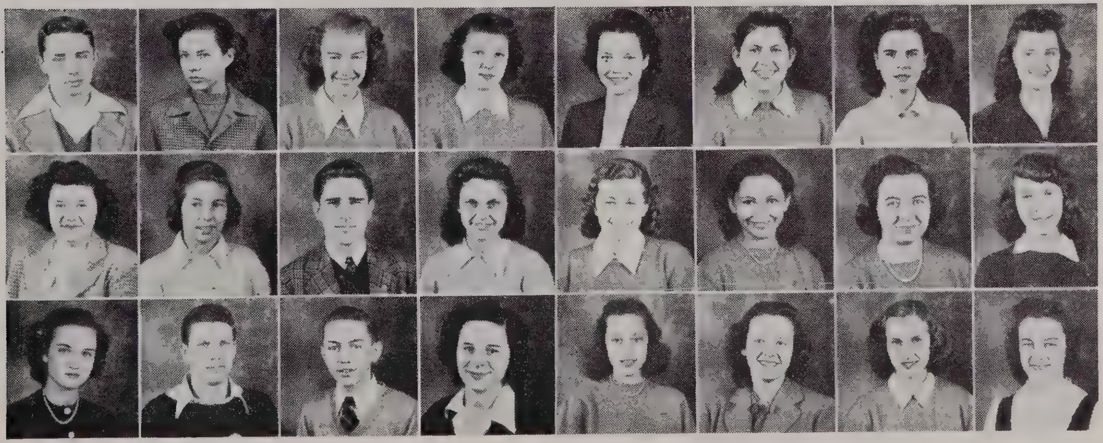
House of Representatives

TIME? 3: 50. PLACE? Room 218. WHAT? The regular meeting of the House of Representatives.

The members are quickly called to order and another meeting is in session. The minutes are read, the roll called and important topics are brought up to be discussed. A pupil from each homeroom has been chosen to represent his class and in this way the organization, which is the governing body of our school, is formed.

For the past two years the sale of War Stamps has been the most important business of the representatives. Certain goals have been selected and the student body strives to reach these in order to promote the sales.

It is 4: 30, all items have been taken care of, and the meeting is adjourned until the next alternating Monday.



Frank Deierhoi, Vice-President; Jackie Gaines, Secretary; William Trevvett, Sergeant-at-Arms; Dore Abramson, Robinette Apperson, Billy Barker, Janet Barr, Joyce Betts, Gordon Binns, David Brown, Margaret Bryan, Harriet Butterworth, Betty Chapman, Jean Clark, Elizabeth DeWolf, Rudy Garber, Virginia Hanks, Jean Anne Harrup, Marianna Howard, Jocelyn Hyche, Lucy James, Bill Jennings, Anne Lewis, Nancy Miller, Florence Millis, Kathleen Oliver, Elizabeth Pahnelos, Anne Plunkett, Mary Rachel Potter, Annette Kaplan, Mary Reinhard, Philip Rosenfeld, Jane Scates, Jean Shepherd, Lorraine Shuffelbarger, Frances Skinner, Mary Jo Sledd, Olivia Day Lowry, Lyle Snidow, Roy Soukup, Virginia Sternheimer, Barbara Watkins, Virginia Watson, Barbara White, and Anne Wilson. Those not phtographed were Sam Brown, Bill Flippen, Ann McKillop, Jean Morrison, Jane Pitt, Ed Proffit, Bruce Randolph, Lucy Register, Jean Snellings, Marilyn Strohkorb, Wylie Taylor, Florence Tucker, Vernon Walton, and Anne Williams.

Character Building Committee

The Character Building Committee strives to promote the high ideals of the school stated in the pledge of allegiance — honor, courtesy, self-control, cooperation, obedience to authority, with kindness and justice to all.

A steering committee composed of thirteen students guides the activities of a larger group and plans the programs. This larger group is composed of one representative from every homeroom. Its widespread membership covers many school activities and thus the programs affect the entire school.

Its ultimate aim is the building of a better character, and in this way, develop a better citizen.

Steering Committee of the Character Building Group: Mitzi Verra, Student Chairman; Barbara Belk, Lawson Crowe, Nancy Glenn, Gwen Isbell, Ann Lewis, Bill Mallard, Helen McDonough, Ruth Nenzel: The following members were not photographed: Nelson Shapiro, Dick Berry, Billy Miller, Vincent Snell.
Home Room Representatives: Mary Berger, Betsy Bethune, Anne Blake, Mary Ellen Cox, Hampton Davis, Neal Ford, Elaine Gurley, Dorothy Harvey, Emily Hastings, Wallace Johnson, Eric Kemp, Alma Rector, Virginia Saunders, Anne Stanley; Golde Steiner, Joyce Townsend, Barbara White, Jane Wolfe, Joanne Yates. Honor Studies Committee

An honor study is a laboratory or experiment station where the ideals of the individual student can be tested and put to work in a practical way. An honor study, properly conducted, gives each member a feeling of responsibility for its success. Thus, in this phase of school life, the student discovers the thrill that comes with the accomplishment of something good, and this enthusiasm, it is hoped, will be carried over into his other fields of activity. It is with these ideals and ideas in mind that our honor studies are carried on.

Students who wish to be in an honor study sign up in their homerooms. If they are recommended by their homeroom teachers and past study hall teachers their names are sent to the Senate chairman of Honor studies. The faculty sponsor, Miss Minnie Rob Phaup, and the Senate chairman make the final decision. All honor study students who wish to remain in the study sign the following pledge: "I pledge myself as an honor study hall member to assist the chairman at all times by spending the period in earnest study, by making application for the library only when necessary, by always taking the same seat, by coming promptly to the study hall, by presenting an O. K. from a teacher for any absence or tardiness, and I also pledge myself not to speak to anyone while in an honor study. I shall at all times remember that my presence in an honor study is a real honor and show that I am worthy of the confidence placed in me."

Bill Mallard, Executive Chairman; Ellen Brinser, Nancy Brotemarkle, Gretchen Erb, Doris Fowlkes, Betty Bob Grove, Elaine Gurley, Marianna Howard, Barbara James, Kitty McIlwaine, Jacqueline Moore, Barbara Nolde, Ann Patty, Buddy Ruehl, Ann Marshall Speight, and Virginia Sowell.

War Activities Committee

The War Activities Committee has had a most successful year. A fine start was made when Thomas Jefferson was awarded the Schools-at-War flag for achieving over ninety per cent participation in the purchasing of War Stamps. This flag has continued to fly each month.

The fall goal of an $8,275 Amphibian "Duck" was more than doubled. During January each home room set its own goal, and the spring term saw $18,000, to buy six Army Liaison planes, set as the school quota. An extra drive sent $130 to McGuire Hospital to buy sixty magazine subscriptions.

Orders for War Stamps are taken by House Representatives in their home rooms and turned in once a week. Committee members compile them and the Representatives come to buy their stamps from five salesmen.

Other committee members work during the fifth, sixth, or home room periods, tabulating sales, talking to home rooms, preparing posters and exhibits and working on special shows.

Salesmen: Jean Scroggie, Chairman; Elizabeth Herrink, Assistant Chairman; Mary Berger, Edward Bradley, Angus Brown, Shirley Downs, Martha Foster, Eric Kemp, Mary Lou Hazelgrove, Barbara James, Barbara Nolde, Virginia Richardson.

Fifth Period Committee: Bobby Bell, Joe Brown, Mary Bullock, Mary Lee Clopton, Marvin Goldstein, Adelaide Hope, Helen Jacobs, Rachel Mertens, David Otey, Annette Rose, Thelma Rosenzweig, Mary Ann Settle, Edward Soghoian, Shirley Stairs, Harry Sutton, Barbara White.

Sixth Period Committee: Peggie Bakeman, Mary Eaheart, Charles Fleming, Connie Haggard, Cornelia Hayes, Anne Jackson, Barbara Macy, Sue McFarland, Nancy Nutter, Kathleen Oliver, Joyce Parrish, Janice Parsley, Sue Pitts, Norma Pulling, Carole Sacks, Dolores Shortt, Lorraine Shufflebarger, Sylvia Stein, Arthur Tuttle, Lewis Walke, Zappos Zambetis.

Club Affiliations Committee

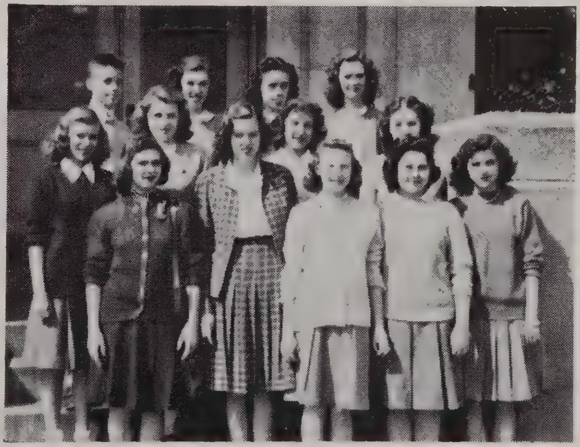
The Club Affiliations Committee is made up of representatives from every school club. These representatives iron out conflicts in time and place of meetings. A member of Club Affiliations visits the House of Representatives meetings to keep all clubs informed of school business. The chairman also links the clubs to other organizations through the Board of Coordination.

In meetings the members share ideas and discuss ways to make their club programs more interesting and worthwhile. By uniting all the clubs through one club they are greatly improved.

Guidance Aid Committee

The Guidance Department needs the help of one or more students at each period to run errands, help with the files, meet the people coming to the Guidance Office for help, and do other necessary tasks. It is the duty of the Guidance Aid Committee to carry on this work. Since there are three shifts, the members on this committee serve every third week. This committee, as many of the others, gives the participating students credits toward the point system award.

Eleanor Bear, Chairman; Jean Morgan, Elsie Mowbray, Nancy Lee Jones, Barbara Macy, Eleanor Horton, Ann Donnelly, Helen Jacobs, Betty Chapman, Jim Harris, Charlotte King, Virginia Westbrook, Barbara Williams.



Russell Vint, Chairman; Shirley Felthaus, Ann Glascock, Gatewood Holland, Mary Mirakian, Joyce Marmelstein, Ann Marrin, Al Nelowet, Billy Payne, Gilbert Spector, Doris Tatarsky, Sadie Walton and Virginia Watson.

Bulletin Board Committee

One of the many functions of the Bulletin Board Committee is to keep the bulletin boards tidy and up-to-date. This committee gives publicity to all school organizations and functions by means of posters and notices. There are two bulletin boards on each floor. Each member of the committee is responsible for keeping one board neat and up-to-date. This year there have been many beautifully printed and painted posters on the boards around the school.

Traffic Committee

The Traffic Committee consists of twenty-six boys, who are assigned posts in the halls where there is the most congestion. The boys work on shifts, thirteen one week, and thirteen the next week. There are ten posts at which the boys are stationed. The remaining three boys patrol the halls, filling any post which is vacant. The boys are on duty every day between periods. They leave their classes three minutes early and arrive at their next classes three minutes late. The boys see that no one runs up or down the steps and that the student walks along the right side of the steps. The main purpose of the Traffic Committee is to insure the safety of the students by keeping order in the halls.

Recreation Hall Committee

The Recreation Hall Committee tries to keep the Recreation Hall as clean and orderly as possible during both recess periods. The committee is divided into several shifts, which work on alternate weeks. At the head of each shift is a captain who supervises the work of his fellow committee members. Each shift works only one half of the recess, thus allowing time for the members to eat and associate with their friends. At the head of the entire committee are two Senate co-chairmen. There are also faculty advisers ready and willing to give advice to anyone on the committee.

Forrest Bailey, Co-Chairman; Mary Howard, Co-Chairman; Joyce Betts, Captain; Gatewood Holland, Captain; Anna Hottle, Captain; Marianna Howard, Captain; Sue Singleton, Captain; Marianne Beck, Betsy Bethune, Dee Curry, Jane Gardener, Elizabeth Gill, Elizabeth Harper, Bette Jane Kerpelman, Richard Wallerstein, Ruby Watkins.

Library Committee

The Library Committee, under the sponsorship of Miss Clyde Carter and Mrs. Frances Young, is made up of students who have volunteered their services and who are interested in library work. The duties of the members are to take up the students' library slips and check the time. They also put the library in order at the end of each period. Only responsible students are selected for the library committee as their duties are necessary and important.

Cafeteria Committee

The Cafeteria Committee, maintaining its high record of former years, continues to keep the cafeteria clean, pleasant, and orderly. Guided by the helpful sponsor, Miss Elizabeth Beaman, the hundred and fifty members work together to control behavior, keep the lines straight, tables cleared, and to ensure fair treatment for everybody. The committee is headed by two general chairmen, Merle Duke and Dick Burch. Under the direction of these students, an executive chairman is responsible for each recess. He checks on captains, receives their reports on

hosts and hostesses, and makes recommendations for promotion of outstanding captains to executive chairmen.

For the first time in recent years, a teacher is on duty in the cafeteria at all times. She oversees the work of the student helpers, assists in solving problems, and makes suggestions which may improve the general condition of the cafeteria. The Cafeteria Committee members proudly pass on the fine standards in service to future members of Thomas Jefferson's largest committee.

The Messenger Committee

The Messenger Committee was organized for the purpose of delivering notices for all committees of Student Participation. All messages which are to be delivered are turned into the Student Participation Office before the close of school and the following morning the members of the committee receive the notices and distribute them to the indicated rooms. The committee consists of a chairman and eighteen members who serve in shifts of six every three weeks. The work carried on by this group seems to be greatly appreciated by both the faculty and students.

The Reception Desk

A visitor's first contact with the school is often through an attractive girl at the desk in the hall. Members of the Reception Desk Committee must be familiar with the school and capable of giving directions, for they must not only give information to a visitor but sometimes must also show him where to find the person he wishes to see. In order to serve on this committee a student must have one study period a day which he can devote every third week at the reception desk.

National Honor Society

The Thomas Jefferson Chapter of the National Honor Society was founded in nineteen hundred thirty-five. New members are taken into the society twice a year at impressive tap services. Membership in the Honor Society is based on the qualities of character, scholarship, leadership, and service.

For the second time in the history of our chapter, a member of the faculty, Miss Lila Crenshaw, was tapped into the society. The members, in appreciation of her service and her remarkable leadership, made her a member in the tapping ceremonies held in November, 1944.

The outstanding activities this year have consisted of keeping a complete roll of former Thomas Jefferson students now in uniform, and of sponsoring Sophomore home rooms. Members of the Honor Society have also aided in coaching and in taking charge of home rooms when the teachers are engaged in extra curricular activities.

Quill and Scroll

The Quill and Scroll Society began the 1944-45 session in September with only nine members, all others having graduated in June, 1944. In January, however, seventeen new members were initiated. These were students who were recommended for distinguished work on THE JEFFERSONAIN, THE DECLARATION, or THE MONTICELLO, either in the field of writing or in the capacity of business manager. High spots in this year's program have been a lecture by one of the editors of THE NEWS LEADER and a visit to THE NEWS LEADER plant to see the making of a newspaper. One of the activities of the Quill and Scroll has been the sponsoring of a scheme for selling War Stamps.

The Jeffersonian Literary Staff

Through leading news articles and editorials, THE JEFFERSONIAN backed a number of school drives, including the War Stamp Drives for the "duck," and 6 Army Liaison planes, and the Schools-at-War flag; the Character Building program; and the McGuire Hospital magazine drive. News of servicemen has become a regular feature of THE JEFFERSONIAN. A list of the 44 alumni killed in service was printed in the last issue of the fall term. THE JEFFERSONIAN has conducted several student opinion polls. Among them were a Presidential poll and polls to determine opinion on lowering the voting age and on compulsory military service after the war.

A record is filed of the amount of material that each literary staff member has published and is referred to by the faculty advisor when he makes promotions. The editors are chosen just before the last issues of each term on the basis of the quality of their writing and their ability to edit. All members of the staff begin as reporters and usually advance to feature writers or associate editors. The highest positions on the paper are held by the editors and columnists.

In addition to their regular duties, the editors presented a fifteen-minute résumé of fall term events in Richmond schools on the RPS Spotlight program on January 30.

The Critical Service of the National Scholastic Press Association commended the paper for excellent editorials and coverage.

The Jeffersonian Business Staff

The Business Staff of The Jeffersonian has entire charge of circulation, advertising, and exchanges. The circulation staff supervises the collections made in the home rooms by the lieutenants and captains, and in addition mails out approximately two hundred copies of each issue, fifteen of these being sent overseas. The Jeffersonian is self-supporting; the circulation staff finances two-thirds of the cost of the paper, while the advertising staff through its ads supplies the other one-third. The exchange editors arrange to send approximately fifty copies of each issue to other high schools publishing outstanding papers.

The Business Staff this year has established an unusual record in all of its departments. When the first issue was published, twenty-eight home rooms had secured 100%-for-the-term subscriptions, and each was awarded a cash

prize of a dollar. By the time the term closed, thirty-seven 100%-for-the-term banners had been presented by the circulation managers, and almost every room had obtained at least a quota banner. When school opened in September, the Advertising Staff had secured enough ads for each issue of the first term. The members of this staff have also devoted their efforts toward improving lay-out and copy. Two outstanding business men have addressed this group. Since THE JEFFERSONIAN merited an All-American rating last semester, the exchange editors have been kept busy accepting and rejecting various requests to exchange. They have also edited the exchange column, in which interesting news items about various schools have been published.

The Monticello Literary Staff

Since September, the members of The Monticello Literary Staff have been working towards the goal of a better annual for 1945. With Miss Catherine Bentley, sponsor of the Literary Staff for the first time, initial plans had to be discussed and problems had to be settled even before actual work could start. Then the compiling of pictures began. The staff room was full of photographs being alphabetized, club write-ups, and editors tearing their hair. Finally, the copy was ready to go to the printer and after a while the proof came back, ready to be checked for the final time. Toward May, the last of The Monticello was seen before the annual banquet when the completed year book first made its appearance. Thus ended a year of companionable work to preserve a lifetime of pleasant memories.

The Monticello Business Staff

The members of the Business Staff of THE MONTICELLO, under the expert and experienced guidance of Miss Frances Gray, have handled the finances of the annual. It has been their duty to raise, through advertisements, school organizations and the sale of annuals, approximately $5000 which is the cost of publishing the annual. In the fall term the members were very busy with collecting advertisements, arranging for Senior pictures, selling annuals through the home rooms, and obtaining the photographer for Junior class and club pictures.

In the spring term the Staff was busy writing up and arranging advertisements and collecting for ads. They have had the proofs checked by the advertisers and have been in charge of the distributions of the annuals.

Many annuals had to be mailed to February graduates who, by the time THE MONTICELLO came out, were in all parts of the world. This also has been handled by the Business Staff.

The Declaration

Twice a year the members of the creative writing class publish THE DECLARATION, which is a literary magazine. Because it has grown so much since its small beginning in 1939, for the first time THE DECLARATION was entered in the Columbia Scholastic Press Association contests. In the January edition the class included a wide variety of material. In cooperation with the character building program, the section, "We Hold These Truths," was written on the ideals that are expressed in the pledge of allegiance to Thomas Jefferson. With much pride we dedicated this issue to the Tee Jay alumni in service and listed, as a special feature, a few of those who have won numerous and unusual military honors.

The Junior Red Cross

The Junior Red Cross with its fifteen counselors and fifty-eight representatives, sponsored by Mrs. Fennell C. Harwood, has done a great deal of work this year. The Junior Red Cross Roll Call netted $680 in the fall.

The representatives and counselors made Christmas boxes for soldiers and children overseas. Eighty dollars was collected from refreshments bought at football games. Six boxes of clothing were collected for mountain children. Ten dollars was sent to an invalid in the Home for Incurables. Valentine favors were made for McGuire's General Hospital. To help in the reconstruction of the education of the children of Europe, boxes of school supplies were made.

The Glee Club

Under the able and willing leadership of Miss Thelma Cook, the Glee Club has presented several programs this year. One of the outstanding ones was given in November at the First Baptist Church, where the Glee Club rendered as one of its selections the eternal Hallelujah Chorus from THE MESSIAH. Besides the outside activities, the chorus presented its regular Christmas and Easter programs in the school auditorium. The Christmas program was recorded and on December 24, it was played over Station WRVA.

The Glee Club was indeed fortunate to have as its accompanist Alfred Hill, a talented and untiring pianist. He was a definite contribution to the success of the Glee Club's year.

The Singing Forty

The Singing Forty was organized in 1940. This group of girls, under the supervision of Miss Thelma Cook, has taken part in a number of activities, both in and out of school. They have presented programs at the U. S. O., the Richmond Army Air Base, and at Ewart's Cafeteria, as well as having participated in religious programs at many churches throughout the city. On each of these occasions the girls have been highly commended. Through the preparation of their programs the members have added to their store of musical knowledge, but all has not been work. Much pleasure has been experienced through the friendly relationship in the club. At the end of each term a party was held for the entertainment of all the members.

The Orchestra

The musicians of Thomas Jefferson find a place for their talents in the Thomas Jefferson Orchestra. The Orchestra, conducted by Mr. Frank Wendt has contributed greatly in making assembly programs more enjoyable. Besides playing for assemblies the Orchestra has given programs at the Parking Lot Canteen, at the Richmond War and Community Fund dinners, and at the meeting of the Virginia Educational Association. Most auspicious program of the season was the Annual Spring Concert. All string players participated in the Spring Clinic and a few Orchestra members went to the Band Clinic. The group has been awarded a citation from the Music War Council of America.

Jeff Clef Club

In its purpose of building and maintaining an interest in music, both classical and popular, the Jeff Clef Club has programs which include not only the history and development of music, but also the individual works of outstanding composers. During the past year the theme of the programs was American music and great composers of all times. Concerts by outside artists and members of the club were presented on the works of Chopin, Tschaikowsky, Rachmaninoff, and the "three B's" — Bach, Beethoven, and Brahms. Meeting twice a month, the members not only heard these compositions, but also discussed the relative merits of the technique, style, and emotion expressed in them. Thus it is the hope of the Jeff Clef Club that a greater interest and appreciation of good music of all kinds and times will be awakened in students.

The Spanish Club

To develop a greater interest in Spanish speaking people and in their countries is the aim of The Spanish Club. Throughout the year varied programs have been presented with this aim in mind. These programs have included speakers and movies of South America. One of the features of entertainment at these programs is the playing of Spanish games. Through these activities of the club, it is felt that a more thorough understanding and appreciation of Spanish speaking people will be secured. Membership in the club is not confined to members of the Spanish classes; anyone who is interested in the Spanish language, people, and customs may belong.

The Latin Club

The Latin Club, composed of Miss Gray's fifth period Latin 5 and 6 class, meets every Monday during fifth period in room 107. As in any other club, minutes are taken, but in the Latin Club the duties of being secretary are rotated around the class and all minutes must be written in Latin. The club adopted a motto to guide them in their club activities. The motto is "Facere non dicere" which means "To do, not to say." The programs consist of novel ways of learning facts about Latin and the Roman people that would not be known otherwise. Most programs are contests or games of some sort whose winners are awarded War Stamps from the club treasury. All members enjoy their meetings and feel that they gain from them.

Tee Jay Distributors' Club

The Tee Jay Retailers affiliated in September with the Virginia Association of Distributors' Clubs. All twenty-five members take Retail Training at school and work part-time in local stores where they sell, do stock work, mark merchandise, or work in mail order and wrapping departments. Purposes and objectives of the club are to further distributive education in the school and community, to inform students as to opportunities in the field of retailing, to sponsor leadership and develop a realization of right attitude, and to provide recreation for employed students. Prominent retailers are invited to speak at business meetings. Field trips "Behind the Scenes in Stores" are also a part of the club's activities.

The Commercial Club

Because interest in Commercial subjects has increased considerably, the roll of the Commercial Club has grown to its greatest height. Its chief project this term was volunteer work for Office of Civilian Defense and Office of Price Administration which included typing, filing, and many other types of office work. Besides increasing knowledge and acquiring more commercial education, the club is doing its bit to hasten the end of the war. Another major activity was the presentation of a play, the purpose of which was to show the proper procedure of applying for a position. The play was chosen because its theme was closely allied to the honor drive conducted by the students. To our sponsor, Miss Helen Botto, goes our deep appreciation for her guidance and patience.

The Library Staff

This staff of juniors and seniors, passing all subjects, devotes one period a day assisting the librarians. Their many duties include attending to the borrowing and returning of books, shelving and repairing books, typing and filing catalog cards and assisting the students in their many problems concerning the library. In addition to the caring for books already in the library, the Library Staff assists in preparing new books for circulation and in arranging the magazines for the use of the students. The Library Staff is composed of twenty members who meet every Monday during home room period as the Library Club to discuss matters which will be of benefit to the school library. The Library Staff is the only student committee whose members serve every day and not on alternating shifts. The members, of course, receive points toward the S. P. award. The officers are Ann Marshall Speight, President, and Phyllis Ann Berger, Secretary.

Advertising and making posters for the outstanding events that occur in the school year, such as, Book Week, National Education Week, and Pan-American Week are included in the many tasks of this group. This group also assists in collecting books for the men in the armed services in nearby camps and hospitals.

The Forum

Every first and third Wednesday of the month the Forum has its regular meetings. Such meetings as these give opportunities to high school boys and girls to study and discuss current problems. Often informal debates are held and members and visiting speakers take part in the discussions. Also each term several members present a debate in the assmebly in which everyone is invited to take part. When possible the club takes trips to historic places in the city and state.

The main topic this year was Post War Planning. The ideas and thoughts presented at these gatherings will be of great value to the youth of America when they are confronted with solving world problems. Among the speakers who appeared before the Forum were Madame Chu Shih-Ming, wife of Lieutenant General Chu of the Chinese embassy in Washington; Lewis Chewning of the Chamber of Commerce and the City Planning Commission, Raymond Long of the State Planning Board, Rockwell Smith of Brazil and our principal, C. C. Hancock. Dr. Susan Lough of Westhampton College and Miss Ethel Cutter of St. Catherine's School completed the roster of guest speakers.

Laboratory Assistants

Being a biology or chemistry laboratory assistant is a combination of work and fun. You have an excellent chance to explore prehistoric bones and even give first aid to the poor students who don't know that a test tube is hot after it has just been heated!

To become a lab assistant, one must be dependable and have good attendance. Also honesty, courtesy, and the other ideals for which our school stands, must be present. Although it is volunteer work, one must live up to these standards or he will not be accepted.

The biology assistant has the job of distributing the materials and collecting them during the period; and he also assists the teacher whenever necessary. One study a day is required before this job can be had. Before you can become a chemistry assistant you have to meet the same requirements as do the biology assistants. The chemistry assistant unlocks and locks the desks at the beginning and end of the period. He helps the teacher get chemicals and he has charge of the stock.

The students who do this work also get points toward the S. P. service medal. They enjoy doing their job one think it's "swell."

The
Hi-Y Chapter

The Thomas Jefferson Hi-Y Chapter, sponsored by Mr. W. E. Bloxom, was organized under the direction of Mr. Alexander of the Y. M. C. A. The purpose of this club is "to create, maintain, and extend throughout the school and community, high standards of Christian character." Among their various activities, the Hi-Y boys contribute to the Red Cross and Community Fund, hold free sport activities, and aid in enforcing the school rules. The club annually sponsors an outing at Camp Richmond, a Victory Dance, and a Commencement Dance. Hi-Y is not interested alone in training its members physically and socially, but it also endeavors to develop in them high ideals and standards of conduct. Since the Thomas Jefferson Hi-Y is closely affiliated with the Y. M. C. A. many of the activities of the chapter take place at the Y. M. C. A. building on Franklin Street. There the members enjoy the privileges of playing basketball, hand ball, and other indoor sports and also of swimming in the pool. Mr. W. A. Worthmann of the Y. M. C. A. Staff is the official who serves as the link between the Thomas Jefferson Chapter and the larger organization.

Senior Girl Reserves

The Girl Reserves is the junior branch of the Young Women's Christian Association. The club is noted for its participation in the war effort and in social service activities. Social events are also of great importance. There is always the Girl Reserve Dance in the fall and the banquet in the spring. Interesting programs of all types are planned throughout the year. One of the most inspiring programs presented in the year is the Recognition Service in which the girls officially become Girl Reserves.

In the summer, members of the Girl Reserve Cabinet attend a convention in order to get new ideas for programs, find communion with Girl Reserves from other cities, and to come back filled with inspiration and the desire to improve the club.

The Corps of Cadets, 1944-1945

Since September, 1942, the Thomas Jefferson Corps of Cadets has steadily improved not only in its drill, but also in its appearance and equipment; the term which began in September of forty-four brought forth most of these improvements. After recommendation to the Third Service Command by Brigadier-General F. C. McConnell and Colonel F. E. Scott, the Corps was recognized as a 55 C unit. Enfield rifles were shipped to the cadets to replace their wooden trainers. In the shipment Matchmasters of .22 caliber were received for the rifle team. A new and better uniform of Superior Charlottesville grey has replaced the old one. Heavy, black leather garrison belts with brass buckles were ordered for the privates and non-commissioned officers instead of the cloth ones previously worn. Metal cap seals soon appeared on the cadets' caps. The cloth lapel insignia were removed, and metal ones added in their place. For extended order drill the Corps secured fatigue uniforms with leggings. The officers and men of the Thomas Jefferson Cadet Corps are very proud of their past achievements and look forward to attaining an even higher degree of perfection in the future!

The Rifle Team

The Rifle Team has made an excellent record this year. In February the team outranked both John Marshall and Benedictine in the Hearst Trophy Rifle Matches. Later, in April, they placed fourth throughout the nation in Class B of the Postal Trophy Matches. Ninety-two preparatory and high schools were entered in the Class B matches. The cadets also defeated the John Marshall and Benedictine teams to win the Richmond Light Artillery Blues Trophy. This was the first competition of the three corps. The scores were: T. J.—1564, J. M.—1547, Benedictine—1519.

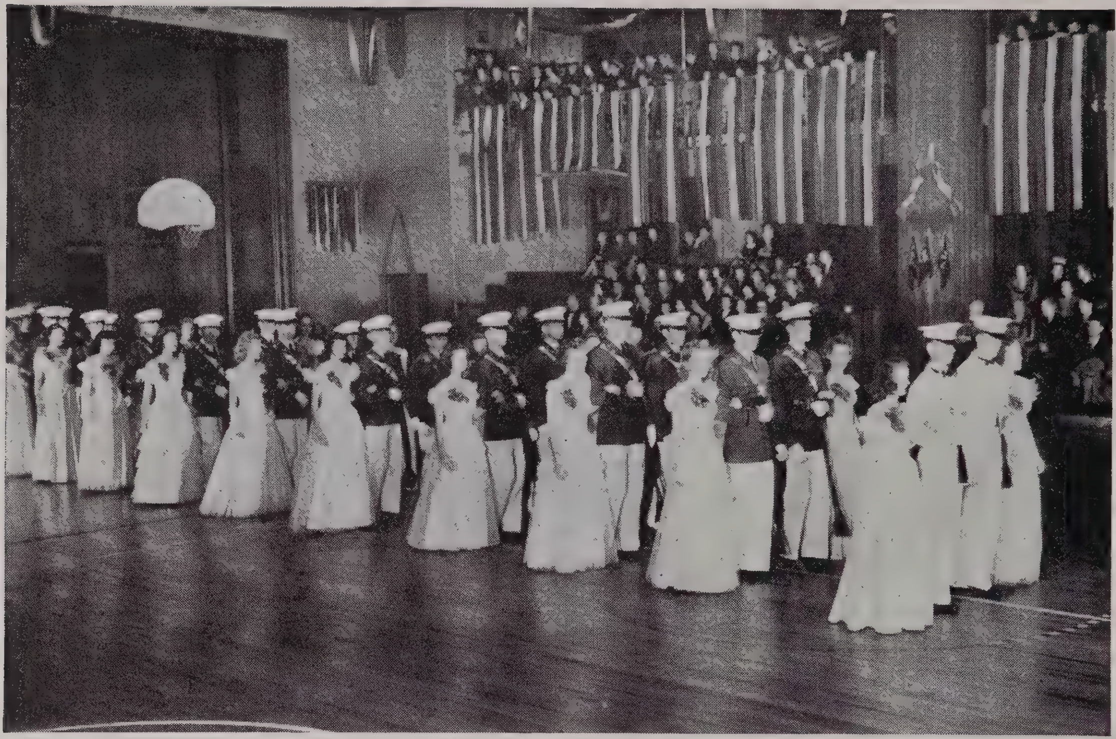
CORPS RECOLLECTIONS



The Social Side

Life in the Cadet Corps is not all marching and drilling; it also has its social aspects. The individual companies find time at least twice every month to have a meeting, an outing or a dance. The meetings are held in the homes of the cadets in order to discuss company problems; after the business meetings are over, the fun begins. Outings are usually given in the city parks. Here hot dogs, marshmallows, and cold drinks are brought out around a big fire. The dances also help to promote company spirit. Highlighting all these affairs are the Cadet Balls held semi-annually. On the evening of November 29, 1944, after the lights had been dimmed, the figure led by Lieutenant Colonel J. Austin Umlauf with Miss Margaret Bryan and Major George Andrews with Miss Connie Hatke began. With the conclusion of the figure, dancing commenced in the gym, beautifully decorated with red, white, and blue crepe paper, and continued until 12:00 P. M. Music was provided by Mr. Frank Wendt and his band.

To
Our Coaches and Advisers

Before recording the history of our athletic events for the year 1944-45, we would pay tribute to those who aided us in attaining the degree of success which we have won. It was from our athletic coaches and advisers that we learned good sportsmanship; it was to them that we looked for encouragement when all was not going well. For their understanding and for their patient instruction, we wish to express our sincere appreciation.

Mills Leads Team in Scoring

Thomas Jefferson's varsity football squad of 1944 finished a fair season with a record of three wins, one tie, and six losses. The high point of the year was, of course, the defeat of John Marshall. Starting with unpromising or inexperienced material, Coaches Carmack and Noble gradually built up the team to an effective unit. They were always right in there trying, and could always be counted upon to put up a stiff fight to any opposition. Unable to stand up against the stiff competition put on the field by their experienced rivals, the squad nevertheless gained experience and will be more than ready for a great '45 season.

Outstanding backs were Artis Mills, Warren Kirtley, Don Howren, "Ripper" Hargrove, Bill Myer, and Tom Cunningham. For the line, Donald Fergusson and Eugene Foxworth, ends, received recognition for their outstanding ability; and Otto Brauer, Donald Smith, and Jack Jones played a great game in their positions. Captain and all-round player Tommy Stanley bore the brunt of the duties on the team, alternating between the line and the backfield, where he punted and ran. Mills led the scoring by racking up twenty-four points; he also piloted the team to many of its goals. Much will be expected of him next year.

Belt-Liners Win First From Morrison

An eager Jeff team overwhelmed its first opponent, the footballers of Morrison High, to the tune of 13-0. Led by Bill Myer, Ben Dennis and Johnny Butler, the Presidents were hard put to stave off the persistent and aggressive efforts of the Morrison eleven. The first touchdown, in the third quarter, was scored by Myer, who passed to Dennis for the conversion, and Butler went over the last stripe in the fourth quarter to end the scoring for the day.

The Presidents Down George Washington 13 to 6

George Washington High School bowed to the cleverer Jeff team in the latter's first night game of the season. Having built up a reputation for clever tricks, the Alexandrians failed to produce such and could not stop the Red and White during the first half; Myer and Butler scored Tee Jay's touchdowns. The visitors came roaring back to score and outplay the Jeffs in the third quarter, but their rally died out and the game ended with the Jeffs in possession of the ball.

Thomas Jefferson Loses to Petersburg

A rainy day and a defeat go together; the Presidents dropped their first game to the more experienced Petersburg High's Crimson Wave. Shifty Buck Kitchen was largely responsible for the Wave's ending on the long end of a 20-0 count. Fighting back hard in the misty drizzle, the Jeffs were unable to stem the Wave's steady advance.

Tee Jay Loses on First Trip to Granby

On the first trip of the year, the Jeffs met the most formidable opposition of the season in the form of the Granby Comets. The Comets had run up the crushing score of 27-0 at half time. The relatively inexperienced Tee Jay backs just could not cope with the galaxy of brilliant passing and running plays of the team from Norfolk. In the second half, the Jeff second team broke to bring the score up to 27-6; the Red and White held its own this last part of the game, running up a second tally to two more Granby scores. Tee Jay points were scored by Mills on a pass from Dennis, and Fergusson on a pass from Mills. Cunningham's first kick was good for an extra point.

Foxworth — End

Jeffs Give to Hampton

The Jeffs' run of bad luck continued as they dropped a third game to a more alert Hampton team in the season's second and last night game at Newport News. The Jeff score, made by Foxworth on a pass, was in the third quarter, after a hard downfield march. The Presidents, obviously "off," started well with a spectacular running play on which they picked up thirty yards, but they soon slowed down until they barely managed to hold their own against the powerful Hampton combine.

Saints Win 34 to 6

The Saints' brilliant backs proved too much for the less-experienced Jeffs, and in spite of their more powerful line, the Red and White went down once more in defeat, this time by the decisive count of 34-6. Chewning and Hawkins led the Saints' attack, with Hawkins' powerful quick kicks throwing the Jeffs back time after time deep into their own territory. Tee Jay's only score came in the last few minutes of the game, when Quarterback Mills slipped through the line after a short drive up-field.

Kirtley — Halfback

Jeffs Edged Out by Cadets

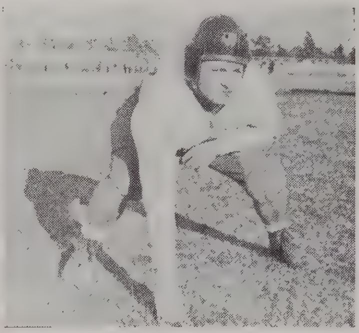
A lighter Benedictine squad upset the Jeffs in a series of tricky running plays. The Irish scored twice early in the game, but the Presidents came roaring back to score two goals in the second frame and try for a third before their time ran out. The second half opened with the decisive touchdown scored by Benedictine, but the eager Jeffs held their opponents in check for the rest of the game. Artis Mills ran up the first Tee Jay tally after receiving a short pass from Butler; he reversed his field and cut through the entire Benedictine team for a thrilling 50-yard scoring run. A few minutes later, Foxworth caught a long heave from Butler and crossed the goal line unmolested.

Justices Bow to Presidents

The Jeffs ran circles around the green John Marshall team in the season's most colorful tilt. In the annual affair, only Bucher, Justice punter, prevented the Big Red Team from running up a higher score. Time after time, Howren, Hargrove, and Kirtley slashed their way through the staggering Blue line for steady gains. After Hargrove and Howren had run the ball nearly the length of the field, Mills plunged across the line in the second stage for the day's only score.

Roanoke, Tee Jay Fight to Deadlock

The Presidents held their own against one of the State's better teams, as they registered an upset 0-0 tie with the favored Roanoke team. Power plays and a brilliant running attack availed the visitors nothing, as the staggering Jeffs stopped several potential scoring drives just in the nick of time. Several attempts to cross to find the marker on the Jeffs' part were similarly repulsed by the visitors. Neither team displayed a great deal of talent on the field, limiting its efforts to short passes or power plays.



Duckhart — Guard

Blue Devils Win 13-0

Brockwell, Blue Devil end, demoralized the Jeffs and thus decided the game when he blocked, scooped up and scored on a blocked President kick deep in the Red and White's own territory. A Jeff scoring drive was effectively checked and later in the game, the Hopewell boys registered another goal, this one de-

ceptively easy. The Jeffs were completely out fought but not out-played. The lighter Blue Team sported a good triple-threat attack and correctly diagnosed the Jeff pass defense to capitalize on several long tosses.

T-J Sophs Play 7 Games

The record in games won and lost by the T. J. Sophomores is hardly one to brag about. However, it is felt that the season was well worth while. Getting off to a late start, the first game was not scheduled until October 13, with Chester High School, which the latter forfeited because of the failure of the officials to appear. It was not until October 23 therefore, that the squad engaged in a regular game, with St. Christopher's "B" squad, the young Saints winning by a score of 13-6, and repeating the following week by the score of 12-0. The next game resulted in a 6-6 tie with Ashland High School, and on November 7, the Sophs defeated Chester in a return game 7-0. The season closed with two defeats by Glen Allen High, County Champions, leaving the record for the season at Won—2; Lost—4; Tied—1.

It must be remembered that the Sophomores were all boys around fourteen years old, in their first year of high school competition, and were playing against high school seniors from other schools, with three or more seasons' experience—much older and heavier boys. Too much can not be said as to the spirit displayed by these boys. Starting with a squad of thirty-one, twenty-five of them stuck through the entire season, working at top speed and in greatest harmony with each other. We look forward to seeing many of them on the Varsity squad next season.

New Jeffettes Form Hockey Team

Three Members of Varsity Return

With the middle of September finding school well underway and the weather settling down to give us crisp fall afternoons, we began to practice with our little sticks out on the girls' athletic field. The object of our practice was to perfect a hockey team and to get all the fun possible out of a fast-moving and interesting sport.

Co-Captains Richardson and Howard

The first practice was a little grim since there were so few people, but slowly and surely the prospective players grew in number until there was quite a crowd on the field each afternoon of practice. From the start we realized it was going to be tough since there were only three girls with letters back on the team, Virginia Richardson, Marianna Howard, and Elisabeth Brauer. Of these the first two were named co-captains.

Saint Catherine's Victorious 14-0

By the middle of October we had built up a nice team, but we opened the season playing a faster and more experienced Saint Catherine's team and were snowed under by a 14-0 score. The Saint Cats were quick, and time after time they ran swiftly down the field to score.

We next played Westhampton College and ran into a stone wall during that game. The Westhampton girls were able to find the holes in our defense and the end of the game found us again scoreless with 12-0 recorded in the books.

With two of the season's toughest games behind us, we prepared to meet the Hockey Club which boasted of a number of former Tee Jay athletes. The team worked hard

and we were able to hold the more experienced team very nicely. However, our forward line was unable to get through to the goal and we met another defeat 6-0.

Tee Jay Girls Down Jay Em 2-0

Our visit to John Marshall was more successful. Honors of the day went to LaVerne Singleton, who scored the first point of the season for Tee Jay, and Tee Tee Brauer who also found her way around the Jay Em goalie. The game ended with Tee Jay chalking up a 2-0 victory.

With Laura Ware sparking the forward line's offensive, we rolled R. P. I. 4-0 with goals accounted for by Singleton, Brauer and White. We were not as successful with Collegiate, but Jessup connected for our only goal. Miller piled up four points for Collegiate and in spite of Marianna Howard's fine goal keeping, the score was 4-1 with Tee Jay again defeated.

The season ended as we traveled to Petersburg and were white-washed 3-0. This was the last game at Tee Jay for Kurz, Howard, and Richardson who have made fine records here.

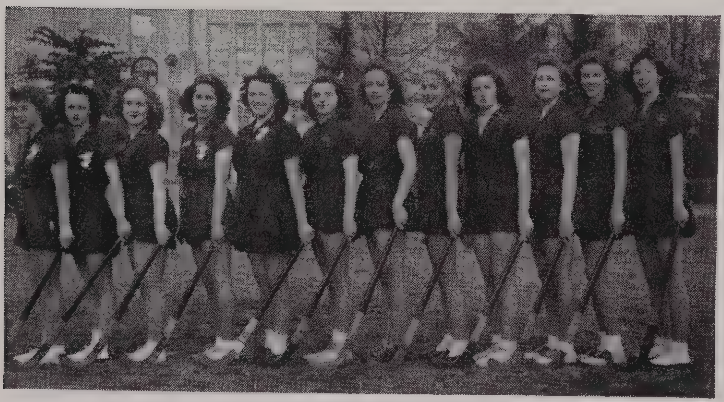
And Afterward

Sophomores Win Varsity Letters

The Reserves fared much the same as the Varsity, winning only one game during the season. The team was largely composed of Sophomores and the hockey outlook for the next few years looks bright.

Patrick, S. Singleton, Hope, Sachs, Swecker, Saunders, Parrish, Gallager, Vial, Shanks, Willis, Reed.



Two of the Sophomores, Anita White and Marjorie Norris, won their varsity letters. The team defeated John Marshall 3-2, lost to Saint Catherine and Westhampton, 13-1 and 12-0, respectively and held Collegiate to a scoreless game.

A glance at the score book would not lead most people to believe that we had a successful season, but we did. Success is not measured by the size of the score, but by the good derived from playing the game. We enjoyed every minute of the time and after all, that's the main objective. Only two Seniors were on the team which means that next year will find an experienced team on the field wearing the white uniform of the Tee Jay girls' hockey team.

T-J Cagers Reach State Finals

Three Jeffs Make All-State

Completing their fourth consecutive successful season by advancing to the finals in the State championship matches, the Thomas Jefferson cagers lost by the narrow margin of six points to George Washington High of Alexandria. Picked as the underdogs, the Presidents got off to a belated start and did not really press the Northerners until the fourth quarter, too late. The Jeffs earned the right to meet Alexandria by downing Maury of Norfolk, 40-32.

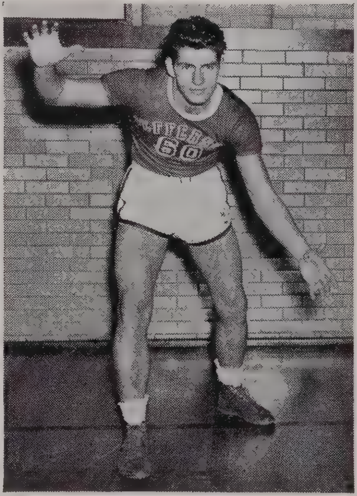
Presidents Win 13; Lose 8

The team seemingly got off to a good start at the first of the season by trouncing the Benedictine and Hopewell quints. On the trip west, however, the boys dropped two close games to Jefferson of Roanoke and Andrew Lewis of Salem. Returning to Richmond, they lost their third game when edged by Saint Christopher's School; on the eastern trip, the Jeff cagers, minus tall Donald Fergusson, dropped two more, to Maury and Granby, both of Norfolk.

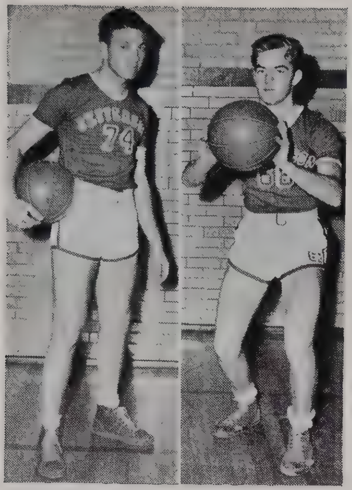
The Presidents began to play championship ball after these five consecutive setbacks, and lost only three more out of the remaining fourteen games. They whipped their traditional rivals from John Marshall and downed in turn Petersburg Maury, Salem, Roanoke, Hopewell, Benedictine, and Portsmouth. The losses were to Granby, St. Christopher's and Alexandria in the playoff. The team was unanimous in agreeing that the Maury Commodores and the Granby Comets were the best teams they ran up against all season.

Bloxsom Builds Effective Team

With only two lettermen remaining from last year's championship squad, Coach Bloxsom deserves a great deal of credit for the building up of an effective team. New to the varsity this year, but up from Coach Carmack's Bee's of last year, were several outstanding ball players. Among them were center Jack Jones; guards Jack Cook, Bob Trombold,



Stanley — Guard



Jones — Center **Howren — Forward**

Bill Cook, and Tom Stanley; and forward, Donald Howren. Coupled with John Giragosian and Donald Fergusson, these boys proved themselves true Jeffs. Letters were awarded to Fergusson, Howren, Jones, Jack Cook, Giragosian, Stanley, and the manager, Teddy Norris.

Fergusson Chosen Captain All-State

Several of the players received high honors. In nineteen games, Fergusson scored 195 points, and won berths on the mythical All-City, All-District, and All-State combines. In twenty-one games, rookie Jones tallied 233 points. He won positions on the All-City, All-District, and All-State teams. Scoring 174 points in twenty-one games, Giragosian received honorable mention on the All-City, and made the All-District and All-State quints. Stanley, Cook, and Howren received high praise for their achievements.

Jones and Howren to Lead '45-'46 Team

Next year's team will be built around letter men and co-captains Jones and Howren. On hand will be several reserves who saw quite a bit of action this year or showed promise of development.

The number thirteen jinxed the team this year. On January 13th, the Jeffs lost to Granby; on February 13th, they dropped another to St. Christopher; on March 13th, with a record of thirteen games won and eight lost, with thirteen players on the squad, they lost to Alexandria for the State Championship.

Sophs Have Great Record

The Sophomore basketball team has a record of which it may well be proud. To round out its three years of winning forty-six out of fifty games, it went through this season losing only one of its fifteen games and that was to Glen Allen by a score of 21-20. The team, captained by Lou Shilling, was composed of Tom Cunningham, Don Phillips, Bob Phillips, Ed Proffitt, Stuart Dance, Roger Conway, Henry Moughamian, Jack Kerneklian, Neal Ford and Grady Whitehorn. We expect that the 1945-46 Varsity will profit greatly by the experience these boys have gained this year.

Kurz and Harvie — The Co-Captains

Harvie and Kurz Named Co-Captains

Shortly before the Christmas holidays a small group turned out for the first basketball practice of the season. The only returning members of last year's varsity, Judy Harvie and Loretta Kurz, were named our co-captains.

After Christmas things brightened up a bit with many more showing up at practice. By the middle of January the team began to take shape and we were all set to meet R. P. I. in the first game.

Visiting R. P. I., we started the season off with a bang, defeating the college girls 31-22. We then registered a 28-22 victory over the undefeated Manchester team. After handing the St. Patrick's girls a 26-20 setback, we got down to some real competition.

Meeting the Basketball Club, which is composed of the best players in the city, regardless of experience, proved to be too much for the Jeffettes. After a close first half the club pulled ahead and held the lead for the rest of the game. At the close of the game we were trailing 21-28.

Westhampton College Victorious

We next played Westhampton College on our court and the game was a fast one. The College stars were able to break through to the basket successfully and we were downed 38-17.

Brauer High Scorer for Year

With our center forward Judy Harvie out of the line-up, our prospects with Varina were very grim. Determined to win the game in spite of our co-captain's absence, we put up a stiff fight. "Tee Tee" Brauer, high scorer for the season, starred as we won the game 29-23.

We added three more victories to our record defeating Petersburg, Collegiate and Highland Springs. Petersburg fell to our girls 31-20. In the Collegiate game we were able to substitute freely and at the same time run up a 29-13 victory. Highland Springs went down to the tune of 35-22.

John Marshall Defeated
36-15

Traveling out to St. Catherine's with our hopes high, we met our "Waterloo." Our last-half rally proved unsuccessful and we lost our only game to high school girls 35-55. We ended the season at John Marshall in true TeeJay spirit defeating the down-towners 36-15.

We are looking forward to another year of success on the court next year with three varsity players returning and an up and coming reserve team from which the new varsity can draw.

Reserves Score Two Wins

The Reserves defeated Collegiate and John Marshall, but dropped games to R. P. I., the Club, Westhampton, and St. Catherine's. The Sophomore team fell to Hill twice in three games.

Varsity Baseball, 1944-1945

The 1944 Varsity Baseball squad returned from its Easter Holiday practice to top the Varina stickmen by a 6-4 score. The Jeffs' next game was against a powerful Benedictine nine which beat the Red Sox 12-4. After making the deciding runs in the first quarter, Saint Christopher held the Red and White in check to win, 7-4. Breaking their losing streak, the Jeffs plunged away at Buck Kitchen's Petersburg team to down the Crimson Wave, 6-3. They followed this with a 6-5 decision over Hopewell. In the second tilt with Benedictine, T-J again lost, this time by 4-1, but they checked a Glen Allen rally to top that team, 7-6. Petersburg and Hopewell got their revenge in return games with the Red Sox by downing them, 11-4 and 4-1 respectively. Cardoza pitched the Jeffs to an upset 6-5 win over the Saint Christopher City Championship nine, while Jack Jones brought in the winning runs in the ninth inning. After forfeiting to the Red and White by not providing an umpire, Varina bowed to the Jeffs 6-4 in a practice game. Jack Jones paced the stickmen with a batting average of over four hundred, and Dickie Hogshead, Ed Denton, and Paul Jack were heavy hitters. Regular mound duties were performed by Joe Hall and Robert Cardoza, while Paul Jack, Ed Denton, Blackie Ferrell acted as relief hurlers. Lettermen were Denton, Jones, Lowery, Cardoza, Hogshead, Hall, and Dean. Returning to the '45 nine are Jones, and Cardoza, and reserves Redford, Luck, Dwyer, Waters, and the Cooks. Of their first three games in the '45 season, the Jeffs won two and lost one; they topped Battlefield Park, 9-4, and John Marshall, 14-11. Petersburg registered an upset 10-4 victory over the Red Sox. Games with Midlothian, Benedictine, and Saint Christopher were rained out.

Girls' Softball, 1944-1945

With the undefeated records of our two preceding softball teams behind us, the new season looms ahead. With unexperienced candidates, the team is slow in taking shape; however, the girls are working hard for a fast and hard-hitting team.

Last year's undefeated team handed setbacks to Hill three times and Binford twice. In high school competition, the scores were as follows: John Marshall 0, Tee Jay 3; Petersburg 11, Tee Jay 12; Petersburg 2, Tee Jay 10; John Marshall 0, Tee Jay 15.

This year there are over thirty candidates, and the outlook is not too grim. With the peppy sophomores who have sparked all of our teams this year, we can expect the best possible results.

Whatever the results are this year, we are pretty sure that the girls' best efforts will have been put forward to carry on our undefeated record. The girls are getting experience for next year's team and we'll be able to carry on in true Tee Jay style.

Track, 1944-1945

The 1944 Track Team had a very successful season, winning four out of five dual meets, losing only to Maury High School of Norfolk. Last year the Jeff thinclads placed fourth in a pre-season indoor meet at Charlottesville and third at the Tidewater meet in Williamsburg. They were runners up in the State championships meet at Charlottesville. The mile relay team claimed the State championship since they won at the State meet and were undefeated during the season. Charlottesville Indoor Meet (fourth place) 12 points; Tee Jay 84, George Washington 33; Tee Jay 77, Woodberry Forest 40; Tee Jay 57, Maury 60; Tidewater Meet (third place); Tee Jay 77, Granby 40; T. J. 80, John Marshall 37; State Meet, second place.

The Jeffs were co-captained by Bob Doss and John Stoneburner. Stoneburner competed in the high jump, broad jump, and pole vault, while Doss took part in the javelin throw. Dick Hungerford was the best shot putter on the team this year.

Vincent Snell was high point man of the year with 88¼ points. He competed in the high and low hurdles, 100 yard dash, 220 yard, high jump, and broad jump.

Members of the championship relay team were Moreland Perkins, Aubrey Stratton, Allen Jacobs, and Henry Miller. Perkins, Jacobs, and Miller also ran the 440 yard dash.

Men who won their letter are: Doss, Stoneburner, Snell, Hungerford, Perkins, Jacobs, Stratton, Miller, Fuller, Lacy, Snidow, Harvie, Powers, Ooge, and T. Kohler. Of these only three, Frank Fuller, Bobby Lacy, and Lyle Snidow, returned for the 1945 season.

Captained and led by Bobby Lacy, the 1945 Track Team got off to a good start, winning their first three dual meets and taking second place at Tidewater. They appear to have a strong team this year since they have made an excellent showing in each meet. The schedule for the year follows: T. J. 60 1-2, George Washington 57 1-2; T. J. 75, Woodberry Forest 52; T. J. 63 2-3, Maury 53 1-3; Tidewater Meet, Second, 30 1-2; T. J. 98 1-3, Petersburg 8 2-3; T. J. 65, Granby 52; T. J. 88 5-8, J. M. 28 1-6; T. J. 85, E. C. Glass 32.

Girls' Track, 1944-1945

Answering the call for the Jeffettes "cindergirls" were a small number of candidates. So small, in fact, was the group that competition with other schools was impossible. In spite of this the track team will continue to exist and the girls will attempt to better the records previously made. Last year the records were as follows:

	High School record		
Event	Record	T. J. Record	Holder
Standing—Broad Jump	8' 7½"	8' 1"	Laura Ware
Running—Broad Jump	16' 8¾"	14' 8"	Frances Burnette

Standing High Jump		3' 7½"	Loretta Kurz

75-yard Dash	9 3-5 sec.	9-9 sec.	Mabelle Warner

With several of last year's girls returning, we are expecting to come closer to the high school records. In order to create more interest in track events, gym classes are learning some of the fundamentals. If enough girls are interested, the gym classes and the track team may have a meet. The girls are looking forward to having a good time and setting new Tee Jay records.

STANDING, LEFT TO RIGHT: La Verne Singleton, Glennie Miller, Marianna Howard, Manager; Nell Quate, Elisabeth Brauer. KNEELNG, LEFT TO RIGHT: Gatewood Holland, Lillian Jessup, Helen Ketchie. Loretta Kurz, holder of four school records, was not photographed.

Varsity Tennis, 1944-1945

The '44 tennis team posted a record of two wins against four defeats. In their first match they bowed to Woodberry Forest's netters 9-0; the St. Christopher netters also posted a 9-0 win against the Jeff tennis team. The Jeffs' two wins were against Benedictine, 7-2 in each case. They bowed again to Woodberry 8-1, and also to the Saints, 5-4.

The Jeff netmen for '44 were Kile Williams, Kenton Williams, Teddy Greenberg, Pat Ellison, Dick Berry, Jimmy Sweeny, Sam Woods, and Stanley Cohen. Berry posted the best singles record, winning three matches and losing three; the Berry-Ellison doubles combination was undoubtedly the best, winning all of the three matches that they played.

Returning netmen are Berry and Woods. Others on the '45 tennis team are Boxie Wood, Gregory Weatherford, Charles Fitch, Jerry Cunningham, Karl Collawn, and Harry Fitch. In their first matches, the Jeffs beat Fork Union Military Academy, Woodberry Forest, and upset St. Christopher's netmen. With several matches still to be played, the Red and White netters hope for several more victories to add to an already successful season. Mr. Sam Woods has replaced Mr. Bennett as coach, although the latter is still with the team as faculty adviser and takes an active interest in the team.

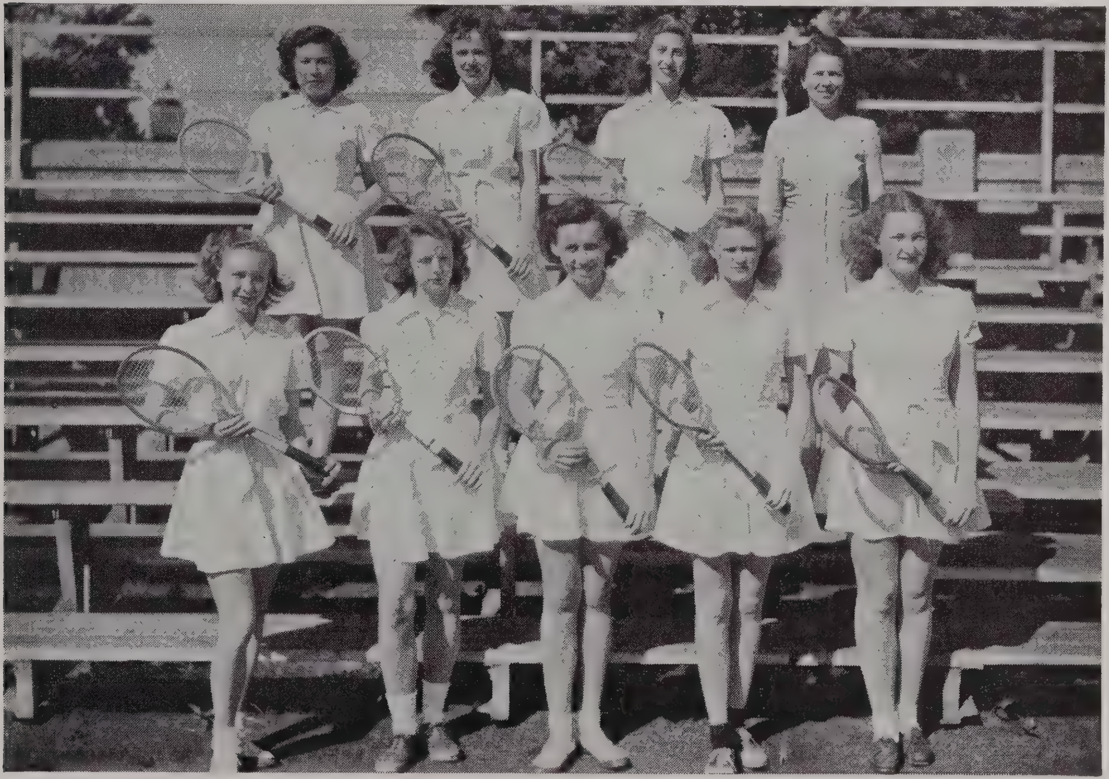
Girls' Tennis, 1944-1945

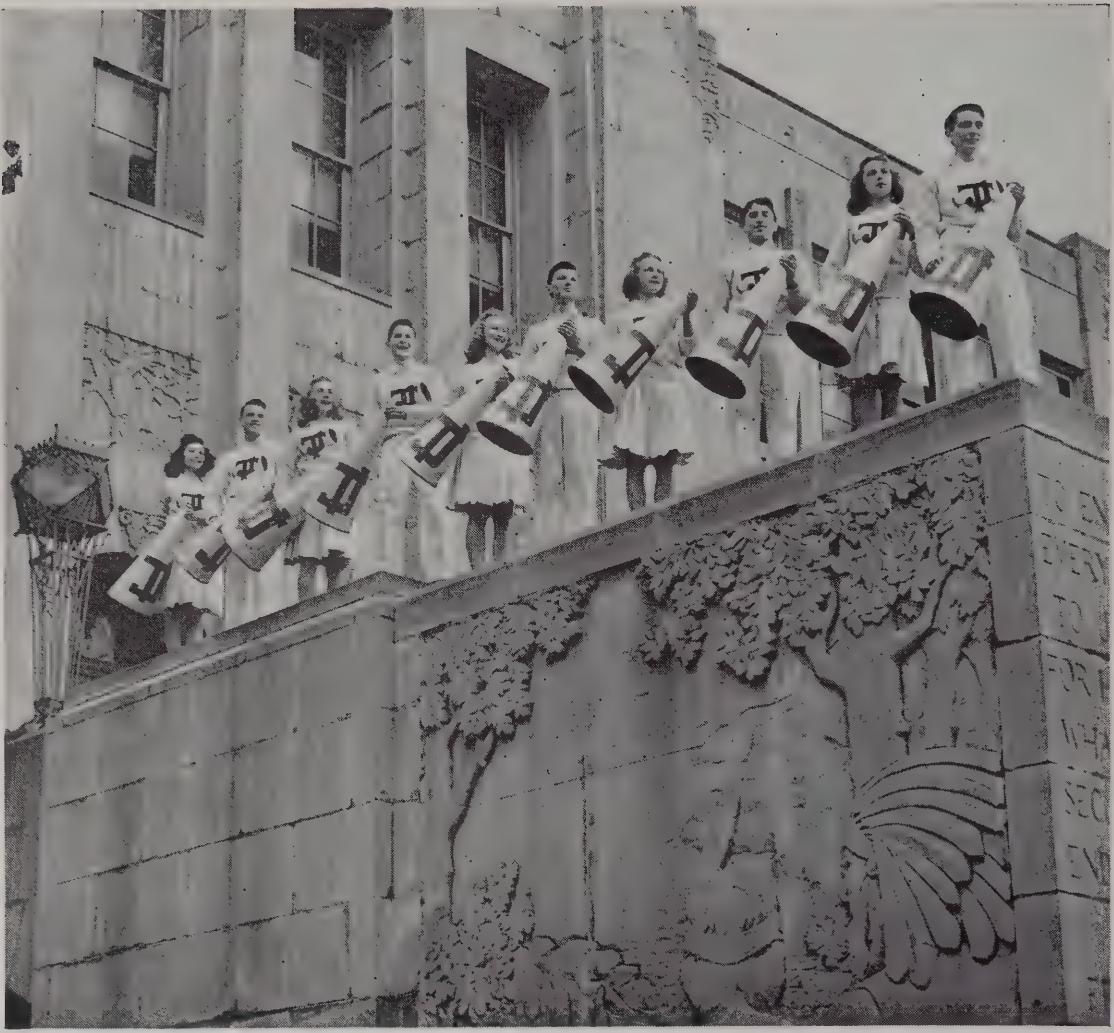
The 1944 girls' tennis team experienced one of its less prosperous seasons, posting only two victories in five starts. The feminine racqueteers, led by Captain Nancy Henry, who was also number 1 player, downed R. P. I., 3 to 2, and John Marshall, 4 to 0. They dropped matches to St. Catherine's and Westhampton, 4 to 1 and 3 to 0, respectively. The boys' and girls' team also lost a mixed doubles match with St. Christopher's and St. Catherine's, 4 to 1.

Maybelle Warner held down the number 2 position on the squad, with Bruce Hamilton, Jane Mooers, Dotty Wright, Ida Quarles, and Martha Ann Williams completing the team, which was under the supervision of Mrs. Frances B. Young.

With Martha Ann Williams and Bruce Hamilton as the only holdovers from the previous year's squad, the 1945 net team has scheduled matches with R. P. I., Westhampton, Collegiate, St. Catherine's and John Marshall. A mixed doubles match with St. Catherine's and St. Christopher's has also been scheduled

First Row, left to right: Martha Williams, Bruce Hamilton, Marjorie Norris, Elisabeth Brauer, Lillian Tucker (Manager).
Second Row: Joyce Cook, Anne Howell, Mary Frances Cohen, Mrs. Young (Adviser).

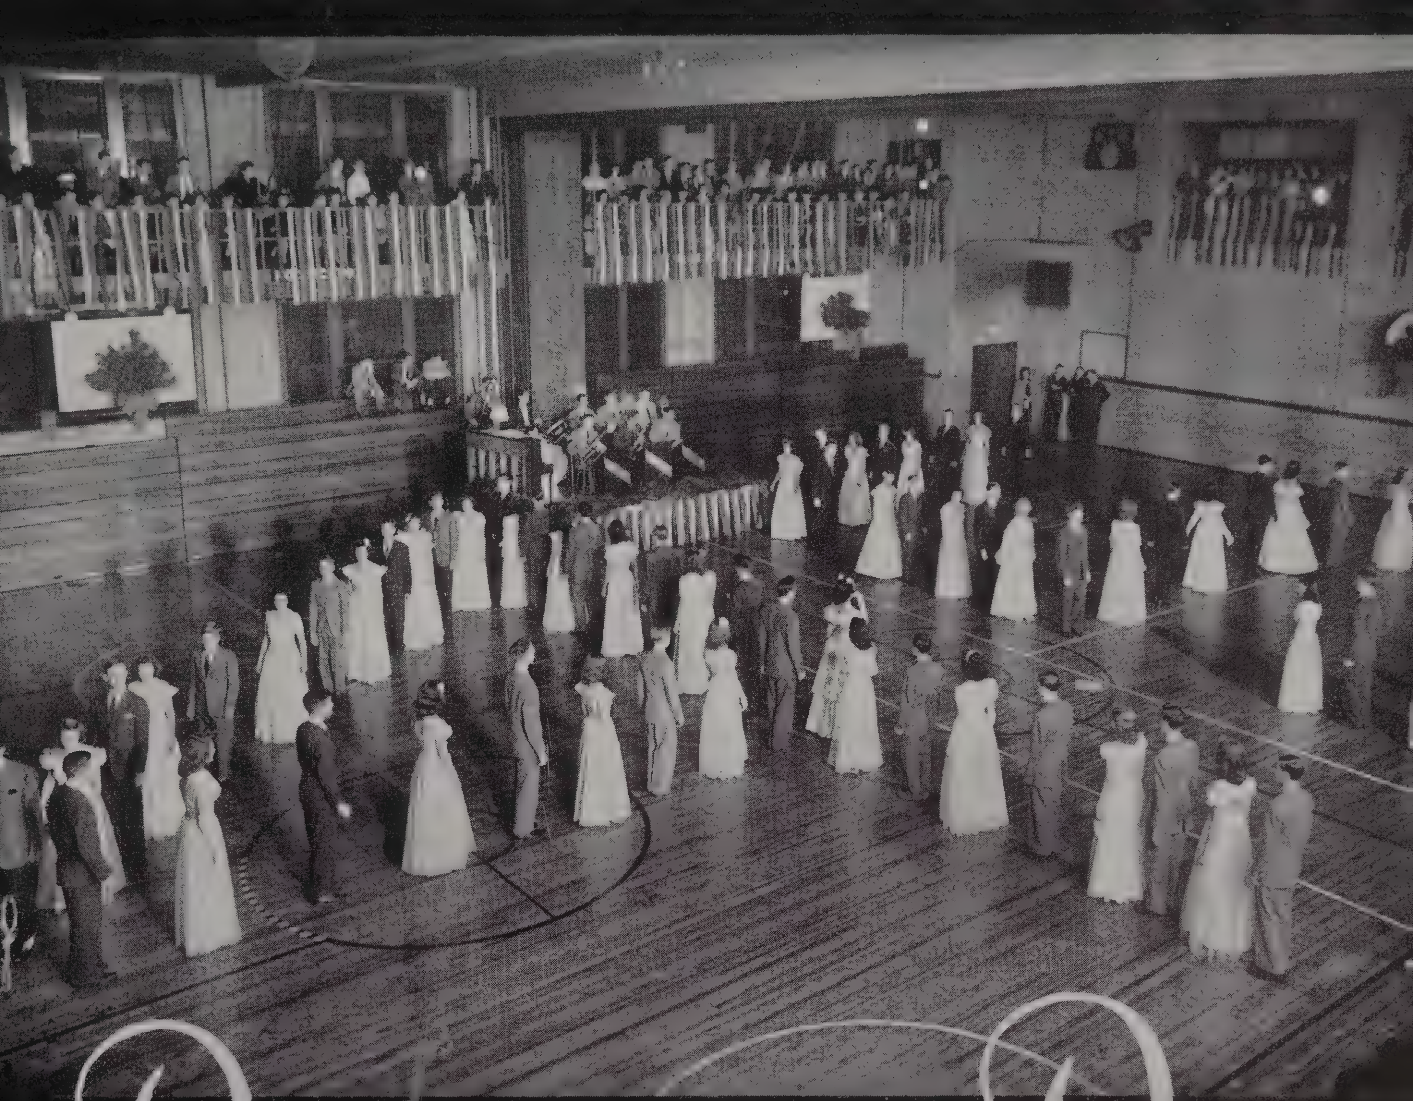




"Come On, Red...Come On, White"

There go our cheerleaders into action with our favorite yell. Headed by high-spirited Nancy Glenn and "twinkle toes" Buddy Powers, the school spirit has followed the Jeffs in victory and defeat. Jimmy Sease, Martha Williams, Bob Stone, Jean Smith, Julia Gilreath, Dan Hinchman, Donald Brown and Barbara Watkins were the assisting members of the cheering staff. In their snappy red and white uniforms the cheerleaders have become an important part of Tee Jay. Next year with Edward Dunford and Mary Ann Spain at the helm, we'll once again sing out our "cheers for the Red and White."

"It Could Happen to You"

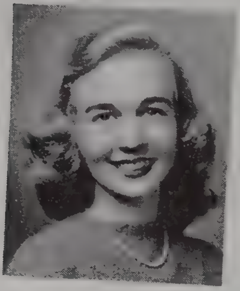


Dancing in the Dark

Christmas was the spirit . . . red, green, and white were the colors . . . at Thomas Jefferson's annual Senior-Junior Dance. The figure began at 8:15, when forty-eight couples, girls in traditional white dresses, boys in dark suits, moved into the spotlight. Ruth Nenzel, President of the class of '45, with Vincent Snell led the figure, assisted by Clarice Ryland, President of the class of '46 with Robert Trombold. Music for the occasion was supplied by the Windsors, a school orchestra.

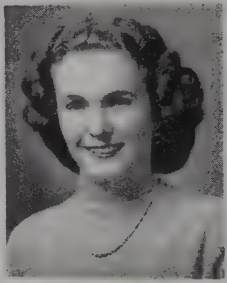
The Talk of the Town

Nancy Glenn



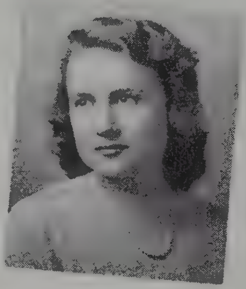
For pep that's overflowing and personality plus
For lots of fun and frolic, just take a tip from us.
We recommend our Nancy, head leader of the cheers
Who always has a friendly word to calm our foolish fears.

Ruth Nenzel



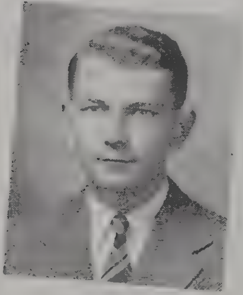
She's got all that makes a lady, yet she's always on the beam,
Cool, calm, and collected, Ruthie Nenzel is a dream.
Class President of '45, hard work for three years straight,
Her many friends can tell you our Ruthie sure does rate!

Mitzi Verra



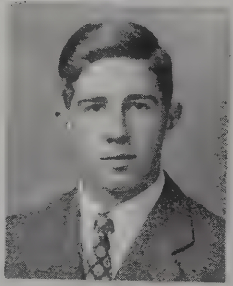
Do you want a girl who's up and comin', who doesn't miss a trick,
Who has scholarship and honor, that really make her click?
Well, you cannot be mistaken, we know you can't go wrong,
If you meet our Mitzi Verra, she's the one who rings the gong.

Richard Berry



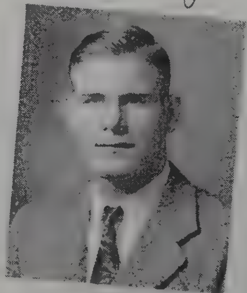
There is a certain fellow, his name is Richard B.,
Extremely fast in Tennis and President of S.P.
Oh, Tee Jay, he's a treasure, for he's capable and neat.
We'll vote for friend Dick Berry-a chap who's hard to beat.

Frank Deierhoi



A good-natured, all-round fellow, who's always on the go,
Who's really fast on track days, even though his drawl is slow,
Vice President of S-P, with a smile all know so well
Of course, good ol' Deierhoi, the chap we think is swell.

Donald Fergusson



When T-J sets a record, when a game or two is won,
And you wonder how we did it, after all is said and done;-
Then you hear them tell of Fergie (who also leads the band)
Though he never would admit it, he's really very grand.

The Mark of a Champion!

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitably will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

How to be Happy...

A wise editor has written that there are seven ways to be happy and that the fellow who is smart enough to keep out of debt won't need the other six. To keep out of debt, one must learn early in life to practice thrift. There is no way to practice thrift that is safer and surer than the "Natural-Bridge" Way.

1945

This is indeed a memorable year in many ways. As this Year Book goes to press Victory over our enemies seems nearer than at any time since Pearl Harbor.

Among the many memorable experiences we shall record in this war year will be the consideration and understanding of our customers. The many shortages of material and labor have caused perplexing and irritating problems which you have shared with good nature and sympathetic understanding and for which we are sincerely grateful.

Whittet & Shepperson—Printers, Richmond, Virginia

Nancy, you have caught the vision of living, that is, humility and love. Come to see me.
Thelma Bryant

I'm not in this book. I can't go to this school. But I am taking the urge to write since this is my favorite school. If you are just with of some of these "creatures" around here, we'll have a lot of fun these next four months.

Bess.
